

2020 Rally Book Changes

There are several pieces of information for our 2020 programme that have been written after the rally book went to print, and a few mistakes in the book.

What's On information has been written for the following rallies, and is now on the website:

Start & stop times are now set - 12 noon Fri to 4pm Sun

It has been confirmed that £17.00 per night site fee includes electric hook-up.

The Kiln, Badshot Lea 28 Feb – 1 Mar

4 – 6 Sep

30 Oct – 1 Nov

For all rallies at the Kiln, up to 6 electric hook-ups are available, cost is extra £5.00 per night. Rally Officers will confirm and manage allocation of the hook-ups - they are available on a first-to-book basis.

There is no mention of the Club National rally in our 2020 rally book – space was not available. The National is being held at Belvoir Castle, Grantham, Lincolnshire on 22 - 26 May. Lots of information and online booking is available from the article on the front page of the Club website

There is a mistake in the year planner on the middle pages. It should show the Berkshire County Show event starting on Wednesday 16th September. The event itself on page 40 is correct.
