Rallying Arrangements – from 18th March 2022

The arrangements for holding and attending rallies have been set up and evolved by the Club and Centres during 2020 and 2021 to fit the situation with COVID as it has also evolved. The main points involved in holding rallies in England in the current situation and for the foreseeable future are explained here, based on communication from the Caravan & Motorhome Club issued on 22nd December 2021 and UK government guidance for England at the time of writing. Different guidance is applicable in Wales, Scotland and Northern Ireland; that is not covered here but is available on request from the Committee.

Any change to guidelines or law announced by the UK Government or the Caravan & Motorhome Club override the information in this Rally Book.

Government COVID guidelines for England are at <https://www.gov.uk/coronavirus>. The guidelines at this time are known as "Living with COVID-19". Changes to the situation for rallies will be communicated to members and this page will be updated and re-published when necessary.

The core points in the guidance are:

- Committee and Rally Officers conduct a thorough Risk Assessment for each venue, rally and meeting, and ensure that all recommended COVID protocols are in place. This includes taking steps to minimise the risk of transmission, particularly when using internal venues, such as keeping them well ventilated. A copy of the Risk Assessment is with the Rally Officer at each rally, should it be requested by authorities.
- The Club and Centre recommend that all members take regular lateral flow tests before participating in events where they will be mixing with others ("Flow before you Go"). Anyone with a positive test result or COVID symptoms should not attend rallies or meetings, and nor should those who have been in contact with a positive case.
- For rallies that have an indoor element, compliance with guidance and restrictions in place at the time is particularly important.
- Personal choice with the wearing of face coverings should be respected by all. Face coverings are most appropriate in indoor places which are crowded, enclosed and where you may meet with people you do not normally. Be mindful of other members and their wishes.
- Please book rallies as normal using the Centre website. The Committee appreciates that members may be apprehensive to commit to attending a rally, but without bookings in the few weeks approaching a rally, the Rally Officers and Committee cannot gauge the level of interest. The Committee is reviewing the viability of rallies at its meeting each month; rallies with too few bookings to be viable may well be cancelled.
- In the run-up to a rally, the Rally Officers will be in contact by email with all who have booked to provide guidance on the rally and how payment of fees will be handled for that rally. Payment can be by cash, cheque (made payable to "Berkshire Centre Caravan Club" and given to the Rally Officer) or by online banking (using the bank account details that the Rally Officer will provide).

- Cancellations in advance of the rally for any reason are acceptable in the current situation. Please contact the Rally Officer to cancel. The scheme of charging fees for late cancellation is suspended until further notice and a full refund will be made for all amounts that have been paid in advance. Non-arrivals (that is without making contact with the Rally Officer before the rally) may still be charged.
- Rally signage will be arranged as normal unless notified otherwise.
- Pitching on rallies will leave as much space as possible between outfits, complying with the minimum spacing requirements of 6m between facing walls and 3m clear space around each unit.
- The water supply and elsan point at each rally will have a supply of hand sanitiser, supplied either by the site owner or the Centre.
- Ralliers are expected to conduct themselves in accordance with the Government Covid guidelines that are in place at the location and time of the rally – in particular social distancing, face coverings and numbers of people in indoor and outdoor gatherings. Each outfit is a household (allowing for bubble arrangements). Rally Officers and Committee members are not responsible for policing observance of the Government Covid guidelines.

Committee Meeting Dates for 2022

Notices

The points here explain the reasoning around items in this Rally Programme and present some necessary information that is normally scattered through the book in a single place to help with maintaining the rally programme as we go through 2022.

Guide to Rallying booklet

The Berkshire Centre's Guide to Rallying booklet provides additional information about how the Centre is run. Copies can be downloaded from the Centre's website or are available from the Secretary.

Advertisers

This year's Centre Programme does not contain the same amount of advertising as usual. With the Covid-19 situation, the recognised position that businesses in general have priorities to remain solvent, no Committee members being willing to undertake the Publicity Officer role, and the somewhat temporary and fluid nature of this Rally Programme book, the Committee continues to feel that it is not viable to try to secure advertising.

Changes to the Centre Programme

This Centre Programme contains as much information as is available at the time of going to print. As the rallying year continues and Rally Officers put together their organisation for rallies, it may be necessary to add, remove or amend any event at a rally. In particular this year, there may be changes due to the ongoing situation with Covid-19. It may be necessary for the Committee to amend the programme as circumstances dictate. Updates are generally notified through monthly updates from Committee and on the website and Facebook posts. We ask members to show understanding where alterations occur.

Book-By Date

All rallies show a "book by" date. This is the date when the Committee will review if a rally is viable for the numbers booked and can cancel it if necessary. Please book early to avoid disappointment.

Site Fees

Site fees are correct at the time of printing, and all are per night unless stated otherwise. The fees reflect the agreements between the Rally Secretary and the site owners. Occasionally, changes are then made by site owners. Where the site fee is shown as being inclusive of VAT, this has been applied at the current rate. The VAT rate for tourism & hospitality that has been varied by the Government during Covid-19 is applicable to rally site fees (but not other parts of the fees, which remain at 20%).

Some site fees are shown as "**Depends on numbers**", indicating there is a fixed fee for hire of the venue, and the Rally Officers & Committee will set the site fee after the Book By date.

Disclaimer

Readers should note that neither The Caravan and Motorhome Club nor the Berkshire Centre can accept responsibility for the quality, safe delivery, satisfactory operation or effectiveness of any product or service advertised or mentioned in this publication.

Exercising Dogs

Dogs must be exercised in accordance with guidelines at the site or venue. Dog waste must be removed from all rally fields (including agricultural fields that may contain waste from livestock and wild animals) and be disposed of by members as per their normal domestic circumstances.

PLEASE DO NOT EXERCISE DOGS WITHIN SCHOOL GROUNDS.

The Rally Secretary has negotiated to allow dogs on rallies at school sites.

Please don't jeopardise this privilege for future rallies.

Rally Finder on the Club Website

Want to know where holiday rallies are being run and when?

Want to know where other Centres are rallying on a particular weekend?

Want to know which Centres are rallying in a certain area on a particular date?

Log-in to the Caravan and Motorhome Club website then click Membership, Local Centres, then Search Events and Rallies.

You can then search by any combination of: Rally/Event type: Short (<5 nights), Long (>5 nights), Overseas, Event Centre, Location (county), Country and Date.

The Berkshire Centre programme for 2022 was submitted to the Rally Finder and paper Programme Index during November 2021, and changes will be applied where feasible.

Centre Membership Renewal

Do not forget to re-register with the Berkshire Centre when you renew your Caravan and Motorhome Club membership. It does not happen automatically. There are three ways to renew:

- Log-in to the Caravan and Motorhome Club website www.caravanclub.co.uk, click on My profile then My Membership where there is an option to Join or renew a Centre.
- Or you can renew Centre membership by phoning the Club on 01342 318 813.
- Or complete and return the Centre Registration form attached to your Club membership renewal paperwork.

Berkshire Centre Competitions

The Competitions that we hold during the year each have some notes associated with them. For this year, those notes are being collected into this one part of the book, to make it easier to update the programme of rallies as the year unfolds. The normal programme of competitions is intended to go ahead for the 2022 programme and will contribute to The Family Cup competition.

March Hare Competition

This competition is an observation tour associated with a rally held in March. In recent years, it has been a walking tour of the area local to the rally.

Golf Competition

One round of 18 holes of golf is played for three competitions:

- A Stableford competition is scored for the Bri-Mar Trophy. In the event of a tie, a countback over 3 holes is used (then 6, 9 holes etc.) to establish a single winner.
- A lowest gross score (ie. excluding handicap) is recorded for the Cyn-Daw Trophy. Again, countback is used to establish a single winner.
- Nearest the Pin Trophy will be played for on a nominated hole.

The Bri-Mar Trophy is the senior trophy. A player with the best score for both competitions is awarded the Bri-Mar Trophy; the next lowest gross score then wins the Cyn-Daw Trophy.

Players must declare their handicap for the Stableford competition, either a club handicap or one that is consistent with their most recent rounds (maximum 28 for gents, 36 for ladies, teenagers and children).

Fishing Competition

The Centre's Fishing Competition is open to Berkshire Centre members attending the rally. Visitors are welcome to fish for pleasure. The competitions are:

T & H Angling Trophy: Highest adult weight Benham Cup: Highest junior weight
John Parker Cup: Lowest adult weight Christopher Cup: Sunday Pairs competition

All fish count except pike which must be immediately returned to the water. Only one rod allowed in the water at a time; no baited rod to be left unattended. Barbless hooks and lead-free weights must be used. Each competitor must have a Rod Fishing Licence which can be obtained online or from Post Offices.

2022 Rally Programme

The Rally Programme presented on the following pages has dates, venues and social events set up mostly as they would be for a normal year of rallying. Thank you to Rally Officers for volunteering to run the 2022 Programme. However, none of us knows how much of this programme will be able to go ahead in this form, and the Committee will review the feasibility of each rally as we go through the year in conjunction with the venues and Rally Officers.

If Rally Officers would like to add, change or remove any information at any point, then please contact Ian Grover or Gary Williams.

All updates to the programme will be notified using the Centre website, a monthly update email to members following each Committee meeting and posts on Facebook.

This programme booklet will be updated and re-published as necessary through the year.

Twyford, Maidenhead, Reading and Bracknell in the local area. Henley is not too far away either.

Twyford is a small village which has quite a few different restaurants, an excellent chip-shop, antique shops and a Waitrose supermarket amongst other smaller businesses. Dobbies Garden Centre is nearby. PLEASE DO NOT BRING ANY NUTS OR NUT-INFUSED FOOD INTO THE SCHOOL; some children can have severe allergies.

What's On? The Rally Officers' Meeting will take place at 2.30pm on Saturday. All 2021 Rally Officers will be notified and invited to attend. The meeting is open to all Centre members - come along and find out what is involved in running a rally for the Centre.

An informal Open Forum will be held after the meeting; a chance for you to air your views and put forward any ideas about the running of the Centre and its activities.

Have a relaxing evening putting the world to rights and looking through the 2022 rally programme to decide which rallies to book. We'll provide a ploughmans supper and hopefully entertain you with a few games.

Level site, with outfits sited in the hall grounds; some pitches have access to electric hookup. Nice hall and kitchen ideal for the social. A small playground is adjacent for young children. The Kennet & Avon Canal runs along the rear of the site. The Butt pub in Aldermaston village does some very tasty lunches. Up on the A4 is Webbs Motor Caravans dealership. Sainsbury's massive superstore at Calcot is 3-4 miles away, along with Dunelm and Ikea. Reading and Newbury towns are close for shopping. Reading Rural Life Museum has free entry and is really worth a visit, also the Kennet Canal Trust. Beale wildlife Park is about 7 miles away just west of Pangbourne and offers access to animals big and small, birds, insects and reptiles. The River Thames flows through Pangbourne and past Beale Park.

What's On? A weekend of love. Come for a romantic themed evening with a 3-course meal. Whether you're single or married, old or young, come for the fun.

Of course, there is plenty to do around the area with IKEA and Webb's Motorhome. A short walk, there is a pub and coffee shop. You have Newbury and Reading a short drive away.

On site there is a lovely play area and lovely walk for the dogs along the canal. The site has electric hook-up (first come first served) showers and toilets. So come join in.

Set in 350 acres of parkland, Wellington Country Park is an ideal destination for all the family, with safe play areas, beautiful nature trails and lakeside walks. Dogs are welcome. Wellington Country Park was established in 1974 by the Eighth Duke and Duchess of Wellington who wished to provide a destination where the growing population of the Thames Valley could enjoy outdoor pursuits, discover natural history and develop an interest in the countryside.

We site our vans in the deer park and at times the deer get quite inquisitive and pass between the vans. They seem to be particularly fond of bran flakes and corn flakes. Visit Wellington Park's web-site at www.wellington-country-park.co.uk

What's On? There is so much to do here from casual walking around the lakes and woods to letting the children have a great time amongst the Dinosaurs and enchanted woodland to petting the animals in the petting farm, there is a splash zone and snakes & ladders area with cafe for grown-ups to sip their coffee and eat cake whilst watching the little ones, again at the sandpits and crazy golf right by the lake There is also a miniature railway (the only thing that there is a cost to) an inflatable pillow to bounce on, lots of equipment for the children to play on, there are separate area's for the very young next to these so you can keep an eye on both. At the end of the day when everyone else goes home you can stay and have a quieter time to yourselves with only campers being allowed to stay. We will be holding a scavenger hunt for the children and adults to keep you all occupied.

Then after a busy day come and join us for a catch up with your BBQ's and cheese and wine
